ALOPECIA, FALLING HAIR

HEAD A PITIABLE SIGHT. HAIR CAME OUT IN FINGERFULS. CURED BY CU-TICURA REMEDIES.

In November, 1888, there came a bald spot on the In the corporation court, Judge Norton, back of my head. In January, 1880, this commenced pitiable sight; the har came out by the fingerfuls and seemed entirely dead. I consulted your book, "How to Cure Skin Diseases," and found that I had "Alopecia." I immediately began the use of the CUTI-CURA REMEDIES. The hair stopped falling out, CURA REMEDIES. The hair stopped failing out, but at firs. I despaired of ever having any more hair. I persevered in the use of the CUTICURA REMEDIES, however, and in three months' time a light, downy growth of hair came out, which turned dark and became coarse. Now my head is entirely well and covered with hair.

LITTLE BABY'S SKIN CURED. When my baby was about one month old, a skin dis-ase made its appearance on his forehead and conease made its appearance on his foreneal and con-tinued growing worse until it covered nearly his whole body. A physician pronounced it eczema, and first prescribed potassium and afterward a solution of arsenic, but no good results followed. I purchased arsenic, but no good results followed. I purchased your CUTICURA REMEDIES, and the first lot took away almost entirely all signs of eczems. The second lot removed all signs of the disease, and the child is now perfectly well and has a fine skin. I thank you most heartily for the cure of my child.
